

Quantum Communication and Computation with Continuous Variables

17-21 June 2019

Speakers include:

Vittorio Giovannetti, Scuola Normale Superiore, Pisa

Alexander Holevo, Steklov Mathematical Institute, Moscow

Seth Lloyd, Massachusetts Institute of Technology

Robert König, Institute for Advanced Study & Zentrum Mathematik, Technische Universität München

Raúl García-Patron Sánchez, QuIC, Université Libre de Bruxelles

Giacomo De Palma, QMATH, University of Copenhagen

Organized by:

The Villum Centre for the Mathematics of Quantum Theory (QMATH)

Registration before 15 April 2019: qmath.ku.dk/masterclass
